On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1154

Thank you for your time.

I strongly oppose this bill. :If passed it would

tax my water use,

allow state access to my property without permission

remove access to my water source

deny drilling of new wells

If you want more water in Oregon for mining or rare earth mines, or industry, " think  
outside the box" rather than taking water from us, WE THE PEOPLE,

Maybe we need more dams rather than the removal of them.
