Committee: Joint Committee On Ways and Means Subcommittee
On Public Safety
Measure, Appointment or Topic: SB5517

I am NEUTRAL on [SB 5517].

What is the Total Indebtedness of the Oregon Department of Emergency Management, to merit a Debt Service allocation of [\$5,765,853]?

Why is the 'Total Indebtedness' is not provided on every piece of Legislation that posts a 'Debt Service' allocation from the GENERAL FUND?
