

Submitter: Fitzgerald Betty

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

I urge Bill 1154 be rejected. Modification suggested by this bill on wells or water rights will directly impact my property value. Oregonians have historically opposed legislation that negatively impacts the rights of property owners. Bill 1154 is such a bill. It demonstrates gross government overreach violating the rights of rural Oregon property owners. I oppose bill 1154.

Respectively,  
Betty Fitzgerald
