

Submitter: Regina Dehen
On Behalf Of: Salmonberry Trail Foundation
Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Respectfully Submitted to the Committee Members:

I support the allocation of funds for the purpose of developing the Salmonberry Trail. This byway has the potential to bring improved health and economic benefits to the communities through which it runs and beyond. It represents a sustainable investment in the infrastructure of the North Coast that will pay dividends for generations to come.

Thank you for all you do to support our communities.
