

Submitter:	Mike Curtis
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

This House bill is another example of over reach and is a glaring example of how out of touch our Democratic elected officials are with the Oregon residents they proclaim to represent. Another potential tax on our God given water which the state does not own. I paid for my well and the power to run it, what gives you the right to charge or meter it in the future. I will be voting Republican from now on if this is your idea of helping Oregonians.
