We are taxed to death, and now the government wants to come on MY PROPERTY, that I PAY FOR. I pay my taxes and property taxes. Oregon is becoming a terrible place to raise a family. I paid 30k for my well. The government did not pay for my well. They have no right to be on my property EVER! Our government needs to focus on the homeless issue, the drug issue, abortion issues, the amount of taxes that we are paying that is excessive. Our government is a bunch of thieves. All Oregon does is take and take from the people like my family that work their butts off. This is MY WELL. Not the governments. STAY OFF OF MY PROPERTY!!!
