

Submitter: Debbie Meador

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

For decades we have hoped to own our land and have our own well. We have maintained our well and sewage system at our own expense.

I oppose any infringement of the government on my property rights and oppose this bill. Our state needs to leave the farmers and landowners alone and let us stay free. We pay on our own at no burden to anyone.

Leave us alone.
