

Submitter: Bryna Dowty

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1154

I oppose to this bill as a property owner. I should not have to be told how much water I can use or have to put new regulator on my existing well. As a property owner I should have more rights to allow this to not pass and do with my land and water how I please. City water gets contaminated all the time. I wish to keep my water clean and free of chemicals
