

Submitter:	David Bartley
On Behalf Of:	Myself
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

Leave property owners alone.

We can manage our water way better than Oregon.

This last flood receded, leaving our property, and many neighboring properties filled with transient camping items because of Oregon Government over-reach, allowing people who pay no taxes more rights, than those of us who do.

We take care of our property. We respect the resources God provides us.

Focus on the problems Oregon Government has created, and quit trying to over govern us property owners.
