Andrew Holtz

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB686

I had the good fortune to pursue a full career in journalism while there was still a functioning business model to support this vital work on behalf of the public. Tech platforms took the advertising money without adequately supporting the work. Journalists are forced to abandon their careers because jobs that pay a decent wage have largely vanished.

SB 686 can help. Please move it forward.
