

Submitter:	Terry Beilke
On Behalf Of:	All homeowners
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

I am against this bill that restricts the availability of water to people living in the country.

Really, you want to limit the ability to get a drink of water ?

You want to forcibly trespass on people's property with this bill?

Your goal appears to want people to all move to cities where you have more control.

You as legislators are not trusted.

Vote no on this bill.
