On Behalf Of:	Hands off our wells
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

This bill will increase the number of employees in the state government . It is also, the most intrusive attempt to control any and all wells on the whim of some political hack. The bill smacks of another socialist/communist attempt of government take over without any protection for the citizen of Oregon.

Who is behind these insane bills. Obviously not a group that is Pro- Oregon .
