

Submitter: Dale Burlison

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1154

I oppose SB 1154, Just another state government takeover of our property, you'll put your friends and family members on the water committee and pay them a six figure salary, another waste of tax payer money. We take care of our own wells and if you think there is a contamination in some area go and test the water in those areas. And keep your hands off our wells.
