

Submitter:	Linda Dolar
On Behalf Of:	Salem For Refugees
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SB149

As a former board member and a volunteer for Salem for Refugees, I strongly support this bill to support our new neighbors. I have seen first hand how much impact the support of these individuals and families can make when they first arrive in Oregon. The trauma they have experienced is like nothing we can imagine. Please support their new lives in our community.

Thank you
