Measure, Appointment or Topic:	SB149

Please support S.B. 149 to ensure that our newly arrived neighbors receive the support they need. to improve access to essential support services for newly arrived immigrants and refugees in Oregon. We want to ensure that when refugees arrive in Oregon, they can quickly connect to the help they need, such as emergency housing, school enrollment, and healthcare, so they can begin building stable, productive lives here. In short, SB 149 helps ensure that no one falls through the cracks during one of the most vulnerable times in their life and it strengthens the systems that make Oregon a welcoming place for all.
