Measure, Appointment or Topic:	SB149

I am very much in support of SB 149.

SB 149 is a bill designed to improve access to essential support services for newly arrived immigrants and refugees in Oregon. This is so needed.

This will help make it possible for immigrants to quickly connect to the help they need, which includes emergency housing, school enrollment, and healthcare. This will help them begin building stable, productive lives in their new communities. This will be helpful for all of us. So needed and so in support of SB 149. Thank you, thank you!
