

Submitter: Meagan Beckstrand

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

My name is Meagan Beckstrand. I'm a life-long resident of Oregon, living in Klamath Falls, Eugene, and Portland; and I'm a member of Climate Reality Project Portland Chapter. I care about the environment and recognize that the health of our environment impacts every aspect of our lives. It impacts our health, our safety, and supplies us our life-sustaining resources. I care about fulfilling our God-given responsibility to be the earth's caretakers . Please support SB 1187-- We need funds to develop and put in place climate resilience, adaptation, and mitigation across Oregon, and fossil fuel companies who are mostly responsible for the problem should pay for it.
