

Submitter: Tonya Buzzard

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1015

The State of Oregon cannot afford this bill. This bill, along with the other gun bills will cost the taxpayers millions of dollars we DON'T have just to go along with all of the tax bills that are being pushed through. This is also just another bill that is out forward to appease the out of state interests that are pushing their own agenda into the citizens. It needs to STOP!
