

Submitter: Shelby Staffenson

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1154

I very strongly oppose this bill. This is more government overreach, control and taxation to harm Oregonians. Wells on private property are paid for and maintained by the private property owners and with this bill the state is now seeking to control them. This is a complete violation of personal and private property rights. Stand up for Oregonians, and please do not advance this bill. Vote NO on SB1154.
