

Submitter: Kaylene Barry

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee  
On Education

Measure, Appointment or Topic: SB5525

This funding has been a huge support for me. I have been navigating life as a Full-time employee, student and part time business owner. I am first generation high school graduate and soon to be college graduate. I am a homeowner as well. The funds I get from this scholarship have helped me keep my head above water during the chaos of my schedule. Without this I probably would not be able to continue attending college. It has been an incredible blessing to me.
