

Submitter: Kirk Barnes

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or SB1154
Topic:

We as Oregonians already have so many laws surrounding water that are never enforced, and we all know state employees are not competent enough to keep anyone or there water safe so this legislation amounts to nothing more that empty virtue signaling to make up for past and ongoing incompetence and failures by the State of Oregon.
