

Submitter:	Christina Parrott
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

I oppose SB 1154. I have my own well on my property. The water is pure and good. Forcing us to get other water is against our basic rights. My late father and late uncle did not fight for our freedom in this country of ours so that we would not even be able to control our lives and choices, in this particular case, whether to have our private wells or not. This is a good example of government overreach.
