

Submitter: John Bates
On Behalf Of:
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: SB1202

Hello and thank you for taking the time to read my testimony.

I am strongly in favor of SB 1202. The creation of this department will allow for more efficient and comprehensive management of rail and public transportation in our state. This will also allow our government to better allocate funding specific to these modes of transportation. Specific, reliable, and ample funding to this department would make a huge difference in my life and the lives of other people around the state.

Best,
John
