

Submitter:	Joshua Ison
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

This bill will not bring Oregonians together, it will only create a harder divide in this State. While I agree with the fact that people in this state are taking more water than what is allowed, a bill like this on Private non-farm use residential home owners makes no sense. We pay a lot to have and maintain our water from wells. Please stop this bill, Oregon is being taxed enough. This bill will only send more people out of state.
