

Submitter: Christy Bull and Family  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB1154

We are writing in opposition of this bill! As our elected officials I would think you would focus on the infrastructure contamination such as the sewage from the homeless in our natural waterways! You can't seem to get control on that, so you look at the rural homeowners and their well? Makes no sense, except for a way to just get more money from the taxpayers! We purchased our property. We maintain our well!

Hands off what rightfully belongs to us! No Trespassing!
