Submitter:	Lynda Ogilvie
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

This bill goes against everything the constitution and the freedom our country stands for! By allowing the government to take over wells on private property is a complete violation of property owners rights. And judging by how the government handled the pandemic, they are the least capable ones to be allowed to do this. Please do not allow this bill to pass!
