

Submitter:

JEREMY SEIBEL

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB1015

I would like to recommend a strong opposition against this bill. I believe that the energy used to get these grants would be better used trying to get help for the people of the state that need assistance for mental health issues instead of trying to come up with back door money to fund bills being push through to punish legal gun owning citizens.

Thanks,
Jeremy Seibel
