

Submitter:

Clinton Freeman

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB1015

I'm in opposition of this bill due to the waste of taxpayer money, if local police agencies could do their jobs without restrictions the state has imposed on them there would be no need for th grant money. Do what the TRUMP administration asks of you and STOP harboring gang members who are illegals and Oregon would be safer for everyone!
