

Submitter: Angela Hornaday

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1154

We pay for our well well over \$10,000, we pay for our water systems for hard water, we pay for new pumps when needed, pump house construction and more. There is no reason for government to tax and charge me for my water use if they haven't paid for all of the cost associated with my well and my water! Hands off.
