SB1015

This vague bill will be a complete waste of money, likely just funneling money into groups that fight against our constitutional rights instead of doing anything to address any actual problems in our society. I don't like the idea of wasting our tax money, especially when we already have budget issues, on supporting NGOs the fight to take away our rights, and then having to spend further money out of our own pockets in the fight to retain our rates. THIS IS A TOTAL WASTE AND ABUSE OF TAXPAYER MONEY AND TRUST.

STRONGLY OPPOSED
