

Submitter: Jacob Hayes

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1015

None of these bills, including this one will do anything but affect legal gun owners. Criminals do not care about laws, drugs, drinking and driving, and robbery, all have been illegal for as long as we can remember, yet people do it every day. Evil is always going to be here, I for one choose to protect myself and my family from it.
