

Submitter: Lance Schiedler
On Behalf Of: Law abiding citizens of Oregon.
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB1015

I'm an Oregon resident and have been my entire life.

I 100 percent OPPOSE SB1015. This bill is written very poorly written in scope and has no financial impact statement that I see. We have the laws on the books already to reduce community violence if prosecutors will actually do their job and prosecute people to the fullest extend of the law. Quit being soft on crime.

Lance.
