

Submitter: Doug Jackson
On Behalf Of: Firearms owners of Oregon
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB1015

This bill is a typical "throw money at a problem" which will not result in any solution to violence. Grants will be given to anti-2nd amendment rights groups.

Additionally, the Department of Justice's Crime Victims and Survivor Services Division (CVSSD) has never proven any results from their department's creation.

They are a failure.

Oppose this bill.
