

Submitter:	Patti Nugent
On Behalf Of:	Nugent Drilling Co. LLC
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

I oppose this bill as written an amended.

My son CJ Nugent has been working hard to try and point out the flaws of this bill as written an amended. Please hear what he has to say about these well issues, and how we as citizens and industry professionals would like to help. Please for the sake of all that is still good in this state, review his testimony and use his information for doing the right thing.

Thanks For your time,  
Patti Nugent
