

Submitter: Sandra Bishop

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB686

I am writing to express my support of SB686. Free speech, power of the press, and open journalism is under threat.

The delivery methods of news and information may have changed, but the reality that the need for free and fair information has not.

This bill has the potential to be a model for how to effectively secure accountability and security for non-legacy media outlets, and how we can effectively and fairly regulate the transition which is already upon us.

I ask you to support it SB686.

Sincerely,

Sandra Bishop
