Measure, Appointment or Topic:

SB1015

I have lived in Oregon my whole life and served my country in the military. I am a law abiding and tax paying citizen and I completely OPPOSE this measure. Not only does the state not have the ability to support this measure; they do not have the funds to take care of it either. If passed the State does not know how they are going to pay for it or even how they plan on staff it. This is a complete waste of tax payer money and does not align with many others including my wishes to go forward. PLEASE VOTE IN OPPOSITION OF THIS BILL.
