

Submitter: Whitney Beebe

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2990

Yes, PLEASE re-write this test. It is outdated and VERY badly worded. I understand that we want folks to know their laws and safety choices when driving, but making the wording more confusing or ambiguous than the actual question is extremely unhelpful and frustrating for the new drivers. Please also revamp your permit test- same reason.
