Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2749

Dear Committee Members,

I am a resident of St. Johns in Portland Oregon. I had a thriving business online which I sold and so pay lots of taxes to Portland, Oregon and the IRS. We've chosen to stay living in St. Johns because we love the friendly neighborhood, it's so walkable, we love our neighbors, and it's home to us.

PLEASE VOTE IN SUPPORT of HB 2749 so that our precious thriving community will stand a fighting chance in case of a big earthquake, or frankly any other disaster since global warming is changing the landscape of what's possible with life-threatening weather.

Let's be proactive.

Please go down in history as being on one of the ones who voted in SUPPORT of HB 2749.

Respectfully,
Alex
