

Submitter:	Chad Kernutt
On Behalf Of:	WE THE PEOPLE
Committee:	Joint Committee On Transportation
Measure, Appointment or Topic:	HB2945

Folks God controls the weather. Climate/global warming science is a deception and crock that they keep getting wrong and have to readjust their doomsday predictions on. The climate works in cycles and has for 6000 years. Please stop the attacks on gas powered rigs at the expense of the tax payers. Please vote NO on this bill.
