HB3499

I strongly support this bill that has been proven effective with North Plains. City people with that zip code! Not just inside the city limits get to vote on UGB changes! The city council is not representative enough. All this middle housing and 15 minute cities are not wanted. We are not going to live like rats in cages! The densities allowed are nuts! Not the American Dream! Anyone who lives in the area especially rural areas need a one mile notification.
