

Submitter: Denise LaBuda

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: HB2978

Chair Golden, Vice-Chair Nash, and Members of the Committee:

I strongly support HB 2978-A. Wildlife crossings have proven to be effective and we needs more crossing structures across Oregon.

HB 2978-A and an option for permanent state-level funding to support wildlife crossing initiatives will improve the safety of Oregon's roadways and help vulnerable wildlife who need to pass over our roads during their migrations/search for food, etc.

Please build on the important progress at the state legislature over the past five years by passing HB 2978-A.

Sincerely,

Denise LaBuda
