

Submitter: Rose Tosti
On Behalf Of: Friends in St Johns about to have a baby
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB2749

Hello! I have friends who own a home in St Johns, who I often visit and stay with and who are about to have a baby they hope to raise in that neighborhood. This matter is really important to me because of their family's health and safety, as well as my own when I visit!

Thank you,

Rose Tosti
