

Submitter: Sunny Lombardi

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2749

Hello. I have lived in St. John's all my life. I grew up on west side of the "cut" now I am on the east side 1/2 a block from it. I still have many friends who live on the west side. Please pass this bill so many people will have an escape route!! Thank you!
