I DO NOT SUPPORT THIS BILL. YE KILLED BY LEGISLATION BILLIONS OF BOARD FEET WE COULD BE HARVESTING ALONG WITH OVER 25 LUMBER MILLS CLOSING UP DUE TO CAT TAX, REDUCTION ALLOWED TO BE HARVESTED. NOW YE WANT TO TAX THE REMAINING BUSINESSES AGAIN. IS IT NOT THY LEGISLATURE'S FAULT FOR HARVEST REDUCTION, NO FUNDING FOR FIGHTING FIRES ALONG WITH SCHOOLS NOT BENEFITING FROM THY HIGH YIELDS OF LOGS PRODUCED? HOW ABOUT STOP HELPING THE FIRE INDUSTRIAL COMPLEX & USE THE COMMON SENSE LEADERS HAD AFTER THE TILLAMOOK FIRES OF THE 1920'S & 1930'S? FROM 1952 TO 1987, THE WEST COAST'S FORESTS WAS MAINTAINED BY HARVESTING & REPLANTING. HOW ABOUT STOP BEING "LUKEWARM CATFISH" AND LETS START CUTTING THIS RENEWABLE SOURCE SO OUR COST TO BUILD A FENCE,BEE HIVE & A HOME STOP GOING UP. I'M TIRED OF THE NEW "JIM CROW" APPROACH OF REACHING THE AMERICAN DREAM THROUGH THE CLIMATE SCAM BULLSUGAR! SINCERELY A BROKE OREGONIAN DUE TO MAOIST POLICIES!
