

Submitter: Anna Munson
On Behalf Of: A lover of restaurant leftovers
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: SB551

This is Anna Munson a resident of Salem. This bill is ridiculous. I personally deliberately order a meal knowing I will not eat it all. Leftovers are a treat. Not having a container to take home, I am sure most people will not take the food and it will add wasted food

This will add to the garbage restaurants will have to dispose of.
I know we have more important issues to deal with, but a little trash can make me laugh.

I oppose this bill, please stop it before it rots!

Laughingly,

Anna Munson
