

Submitter: Kathryn Fox  
On Behalf Of:  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: HB2978

Too many times, we've traveled these roads and have had near accidents with wildlife. Sometimes there have been unfortunate collisions. A friend of mine lost his girlfriend to a deer collision. Where we know there are frequent crossings, wildlife crossings should be built for the safety of car travelers as well as our beloved wildlife.
