On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or SB5505  
Topic:

I support ODFW's request for Capital Improvements, Hatchery Facilities for \$20,180,000, Section 1(6)(f). Anglers all over Oregon depend on ODFW to operate efficient hatcheries for sustainable fisheries. In many fishing opportunities, both in rivers and in the ocean the only fish that can be harvested are hatchery fish. All the State Hatcheries are in need of repair, maintenance and improvement. This Capital Improvement is really needed, please approve it.

Thanks for your consideration,

Steve Godin
