

Submitter:

Sarah Silkie

On Behalf Of:

Committee:

Joint Committee On Transportation

Measure, Appointment or Topic:

HB2945

This bill is a common-sense and urgently needed investment in the health of our children, the air we breathe, and the future we are building for Oregon. I have asthma, and I remember what it was like as a kid waiting with all of the buses running and feeling like the air was suffocating me. Please make safe rides to school a priority for Oregon kids.
