

Submitter: Elizabeth DeVeau

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2945

I urge you to support HB 2945 which will accelerate Oregon's transition to electric school buses. This shift to electric buses will save school districts money. Over a bus's lifetime, electric buses cost significantly less to fuel and maintain than diesel buses—yielding taxpayer savings while also improving air quality for students. Thank you.
