

Submitter: Elaine Lavington

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1205

Dear Senate Committee on Finance and Revenue, Please support this bill. It seems so obvious why. Another that has suffered through a wildfire and receives resolution should not be taxed on it. The money could never truly compensate. Why should the government benefit from their loss? It shouldn't.

Please support SB 1205
